

Self Development EDGE (Educate, Develop, Grow & Earn)

Our experience, data and feedback have proven time and again that the brightest of the students passing even from Premier institutions, many a times lack skills sought by corporate, thus leading to a mismatch between the Industry expectations and the skills developed through the Educational Institutes.

SD EDGE is a unique Program where we equip you to develop the '**Employability Quotient**' by helping you to understand yourself and unleash the potential.

Objective :

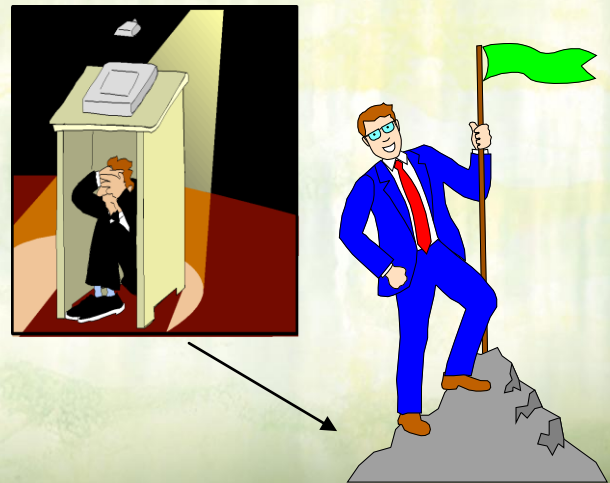

- To understand the present personality profile/traits, strengths and weaknesses
- To develop action plan for Potential Realization using the strengths and overcoming weaknesses
- To develop right attitude, knowledge and skill for taking up the right job
- To help the participants to **EDUCATE** and **DEVELOP** to be a person they would love & **GROW** to **EARN** a better living

For whom?

Any candidate who want to hone their personal skills and become employable

*Unleash your potential and add
that extra to you
And become the
'Extraordinary'*
