Aandavar software Solution

Respected Sir/Madam:

Warm Greetings from Aandavar software solution!!

We take this opportunity to introduce Ass Learning as an initiative of Ass for addressing the training needs of Enterprises and Institutions in the Field of Information Technologies, Soft Skills and Customized Training applications in all Sectors.

Leveraging on the 4 years of industry experience of ASS, ASS Learning provides industry benchmark customized Training/Project Solutions to its Institutional Partners. Our gamut of training/project solutions ranges right from Advanced Technologies in the area of IEEE, Real time Applications, System side and Embedded Applications for different levels across the organization.

Ass is the Software Technology. We are Providing Internship, IPT, Final Year Projects and Courses in Software, Embedded, VLSI, NS2, and Networking. Ass Engineers will train you to be a

Professional .It's a Real Time Exposure.
Certificates are issued from Ass.....

We are providing various programs for engineering candidates who are really interested to gain knowledge in their streams. The programs are listed below,

INTERNSHIP

IPT

PROJECT WITH INTERNSHIP

Advance Software /Hardware

COURSES WORKSHOPS

Objective : To enrich the student knowledge on the latest IT Technologies.

certification: By ASS.

INTERNSHIP

Internship will be given in various domains. The classes contains software, networking, hardware parts.

Duration : 40 hours

Address:

No:4 ,1st Floor ,3rd Street, Kalyan Nagar ,Mudichur Road ,West Tambaram ,Chennai-600045 ph:+919003981982/7338808551/52/53/54 :LandLine:044 22264426

Aandavar software Solution

IPT

IPT Topics will be basics and emerging technologies of
JAVA,DOTNET,ANDROID,NETWORKING,EMBEDDED,VLSI,MATLAB

Either of these topics only can be covered in one session.

There will be Week days(3 days) and Week end(2 days) batches available.

Address:

No:4 ,1st Floor ,3rd Street, Kalyan Nagar ,Mudichur Road ,West Tambaram ,Chennai-600045 ph:+919003981982/7338808551/52/53/54 :LandLine:044 22264426

PROJECT WITH INTERNSHIP

Project internship will be given for
B.E,B.Tech,MCA,M.Sc candidates

Platforms We are ready to provide:

For CSE & IT Departments

- 1.JAVA
- 2.Dotnet

Domains:

- 1.Data mining
- 2.Mobile Computing
- 3.Cloud computing
- 4.Networking
- 5.Secure computing
- 6.Parallel and distributed
systems
- 7.Image processing
- 8.Real time projects

Address:

No:4 ,1st Floor ,3rd Street, Kalyan Nagar ,Mudichur Road ,West Tambaram ,Chennai-
600045 ph:+919003981982/7338808551/52/53/54 :LandLine:044 22264426

Aandavar software Solution

For ECE, EEE, & EIE Departments

1.Embedded
systems 2.VLSI
3.MAT
LAB 4.NS2
5.Power electronics

COURSES

We are providing various kind of certification courses for the candidates depends upon their area of interest.

WORKSHOPS

We are providing one day workshop especially for engineering candidates.

With Warm Regards

K.Sharanya

Manager
